“façade” means the principal front of a building;

2. SCOPE OF THE POLICY

(1) This policy is designed to regulate outdoor advertising on or visible from all public spaces in the Dihlabeng Municipal Area.

(2) Prohibition and control of the erection of signs:

- 2.1 No person shall erect, maintain or display a sign or allow any other person to erect, maintain or display a sign in a place or on a building or structure that is visible from any public space without the consent of the Municipality.
- 2.2 No person shall erect, maintain or display a sign or allow any other person to erect, maintain or display, a third party advertisement, except where the premises are in an area of minimum control as defined in this policy. Any sign type not covered by this policy shall be regarded as an illegal sign unless the specific consent of the Municipal Manager has been obtained.

3. APPLICATION FOR APPROVAL OF SIGNS

(1) Every application to display a sign on private premises or on Municipal premises must be signed by the person and/or persons required by the Municipality and must be submitted for approval to the Manager Town Planning on the appropriate application form, in accordance with the application procedures approved by the Municipality, as amended from time to time.

(2) The Manager Town Planning may request any additional information which he/she may consider necessary, including an Environmental Impact Assessment (EIA) or advertising sign scoping report in order to consider an application.

(3) Every application must be accompanied by the prescribed application fee and, where applicable, a deposit as determined by the Municipality from time to time.

(4) No person may to any degree or in any manner, way or form deviate from the conditions of approval of the Municipality, and any deviation constitutes an offence and consequently negates an approval.

(5) The evaluation of applications shall include the consideration of environmental, traffic safety, aesthetic and architectural aspects.

(6) More than one class of sign, with the exception of billboards, and more than one sign in each such class, may be considered on premises.

(7) The Municipality may, at the discretion of the Municipal Manager, invite applications to erect non locality bound signs, by public notice.

(8) The Municipality may, in its discretion, approve applications for the following sign types in the public road reserve: billboards, street furniture signs, suburban name sign advertisements, direction signs to show houses, posters, functional signs by public bodies, street name signs, security signs at the entrances to suburbs and/or townships or gated communities, stack signs, signs on bridges, signs for sponsored road traffic projects and any other sign deemed appropriate by the Municipality.

(9) The approval period of signs may not exceed a maximum period of 5 years.

(10) Approvals granted in terms of this policy may be considered for renewal in the sole discretion of the Municipal Manager who may delegate authority to the Manager Town Planning

and after receipt of an application by the owner of the sign after expiry of the period for which the approval was granted, by:

(a) making application for such renewal to the Manager Town Planning: in the prescribed manner; and

(b) lodging the complete application with the renewal fee determined by the Municipality (which shall include an inspection fee).

(11) An application which has shown no substantive progress due to any act or omission on the part of the applicant shall be deemed to have lapsed one year after date of submission to the Municipality, unless motivation to the contrary is supplied to the satisfaction of Manager Town Planning.

(12) The owner of the land or his legal agent or representative, on which a sign is erected or displayed in terms of an approval obtained under this regulation, must retain certified copies of all documentation relating to the application and the approval issued by the Municipality and any renewal thereof for as long as the sign is erected or displayed, and must present it to any person authorised by the Municipality on request. The owner of the sign, if not also the owner of the land, must provide the owner of the land with certified copies of all relevant documentation.

(13) The Municipality shall withdraw any approval given under this regulation where the relevant sign does not or ceases to comply with this policy, or a condition imposed in such approval has not been complied with.

(14) All changes to the content of an advertisement (graphic) shall be subject to specific consent in all categories of signs in this policy and, when specified, on payment of an amount determined by the Municipality from time to time.

(15) The owner of the sign shall be held responsible for any damage or loss caused by the structure and/or due to the display of the sign.

SECTION B: PROVISIONS APPLICABLE TO ALL SIGNS

4. SAFETY

(1) Notwithstanding the other provisions of this policy, no sign shall:

(a) Constitute a danger or cause an obstruction to persons or premises;

(b) be so placed as to distract, or contain an element which distracts, the attention of drivers of vehicles in a manner likely to lead to unsafe driving conditions;

(c) be illuminated to the extent that it causes discomfort to adjacent residents or inhibits the vision of approaching pedestrians or drivers of vehicles;

(d) be attached to traffic signs or signals, combined with traffic signs unless otherwise allowed in the South African Road Traffic Safety Manual (SARTSM), obscure traffic signs or signals, create confusion with traffic signs, interfere with the functioning of traffic signs or create road safety

hazards; as determined by the Municipality;

(e) be placed on traffic islands or be attached to power masts, trees, pillars, fencing, electrical substations or any other similar structures;

(f) obstruct fire escapes or the means of egress to fire escapes;

(g) be placed closer to overhead power lines than the minimum clearance as prescribed by any law;

(h) where permitted in the vicinity of signalised intersections primarily display the colours red, yellow or green if such colours will constitute a road safety hazard;

(i) be erected without approval from the Municipality.

(2) In considering applications for approval of signs that will face a road, the Municipality must evaluate, according to road traffic sign standards published under applicable road traffic legislation, prevailing traffic conditions and the roadside environment, whether:

- (a) the sign, together with other signs in the area, if any, will affect the visibility of road traffic signs due to potential visual clutter;
- (b) the size of the sign, or any portion thereof in terms of its colour, letter size, symbols, logo, graphics or illumination will have the effect of distracting the attention of drivers of vehicles from the task of driving and lead to unsafe driving conditions;
- (c) the number of road traffic signs and other signs in the area constitute a driving hazard, by distracting the attention of drivers of vehicles from the task of driving and lead to unsafe driving conditions;
- (d) the colour, or combination of colours, contained in the sign correspond with the colours or combinations of colours specified for road traffic signs;
- (e) the colours red, amber or green in the content of an advertisement erected in the vicinity of a signalised intersection will constitute a road safety hazard;
- (f) the portrayal of a road traffic sign in the content of an advertisement will constitute a road safety hazard;
- (g) the speed limit and the extent to which traffic adheres to the speed limit, the traffic volume, the average following distance and accident history of the road demand more stringent control of outdoor advertising;
- (h) the amount of information contained in the sign, measured in bits, is within prescribed limits;
- (i) the sign is suitably positioned and orientated;
- (j) the position of the sign will negatively affect the visibility of, sight distance to or effectiveness of any road traffic sign, or series of such signs;
- (k) the sign could be mistaken to represent a road traffic sign;
- (l) the illumination of signs or the light source of such illumination is likely to distract drivers' attention from road traffic signs which are not illuminated;
- (m) the position of a sign would disrupt the sequence of information on road traffic signs for drivers who encounter a series of road traffic signs intended for traffic regulation, warning or guidance, in cases where the applicable speed limit on the road exceeds 60 km per hour;
- (n) the position of any sign would potentially distract drivers' attention at places where traffic turns, negotiates curves, merges or diverges, or in the vicinity of intersections or interchanges, or where the drivers' uninterrupted attention to the driving task is important for road safety;
- (o) the distance of any sign before any road traffic sign, a sign's position in between road traffic signs or a sign's distance behind any road traffic sign is of such a nature as to distract a driver's attention from any road traffic sign.

(3) The Municipality may increase the minimum spacing between signs, or place further restrictions on the position, size and content of any sign if it considers it necessary in the interests of road safety.

(4) No sign will be allowed that emits a noise, sound, smoke, smell or similar sensory stimuli.

(5) When erecting or removing a sign, advertising hoarding, temporary sign (eg. poster) or banner, no person may cause any damage to any tree, electrical pole, electrical service (eg.

minisubstation) or any other public installation, building or premises. Should any damage be caused, the cost of repair thereof shall be for the account of the sign owner.

(6) The owner of the sign is to ensure that the sign structures and the procedures followed in maintaining the structure or changing the content of an advertisement, are safe and do not pose a safety risk of any nature.

5. AMENITY AND DECENCY

(1) No sign shall be displayed in places or in such a manner that it could, in the opinion of the Municipality, be detrimental to the character or amenity of the neighbourhood or disfigure the surroundings.

(2) No illuminated sign shall be erected in such a way that it may have a detrimental effect on the amenity of a residential building, could be detrimental to the character or amenity of the neighbourhood, in the opinion of the Municipality.

(3) An advertising structure or advertisement shall not be detrimental to or have a negative aesthetic impact on the streetscape or character of the surrounding area due to design.

(4) Notwithstanding any other provisions of this policy, no sign shall:

(a) be detrimental to the environment due to size, colour, texture, intensity of illumination, quality of design or materials or for any other reason;

(b) be in its content objectionable, indecent (including graphics), offensive or suggestive of indecency or prejudicial to public morals;

(c) obscure, partially or wholly, a sign owned by another person that has earlier been legally erected and displayed.

(5) No signs of whatever nature or class may be displayed or erected on or in the vicinity of Dihlabeng Town Hall or any other area or place deemed in the discretion of the Municipality to be of national, provincial or local importance, as indicated on the Outdoor Advertising Control Scheme.

6. SIGN TO BE CONCISE

A sign positioned on or next to and visible from a road must be concise and legible and comply with the following requirements:

(1) No single message displayed on a sign may exceed fifteen bits of information unless otherwise permitted in terms of this policy.

(2) A sign shall have a neat appearance in terms of sign content and sign writing, and shall not contain untidy handwritten messages.

(3) The advertising message on each individual sign must be understandable on its own without reference to a series or progression of signs.

7. DESIGN AND CONSTRUCTION

(1) Any advertising structure or advertisement must, to the satisfaction of the Manager Town Planning:

(a) be neatly and properly constructed according to generally accepted design and construction standards;

(b) have a neat appearance and be made of durable materials suited to the function, nature and permanence of the sign;

(c) not deface building facades with electrical service conduits and other accessories;

- (d) be rigidly and securely attached, supported or anchored in a safe manner so that unwanted movement in any direction is prevented;
 - (e) be capable of effectively securing, supporting and maintaining not less than twice its mass with the addition of any force to which the sign may be subjected, including wind pressure;
 - (f) wherever necessary in accordance with the nature of the sign and when attached to brickwork, masonry or concrete, be securely and effectively attached thereto by means of bolts securely embedded in such brickwork, masonry or concrete or passing through the same and secured on the opposite side;
 - (g) not be secured to the structure by water soluble adhesive, adhesive tape or similar material;
 - (h) have all exposed metalwork painted or otherwise treated to prevent corrosion and all timber treated to prevent decay;
 - (i) have measures taken to prevent entry of water into, and the accumulation of water or moisture on or in the sign or any part of its supporting framework, brackets or other members.
- (2) If required by the Manager Town Planning the design of an advertising structure shall be certified by a professional engineer.
- (3) No sign shall:
- (a) obstruct any window or opening provided for the ventilation of a building or obstruct any stairway or doorway or other means of exit from a building or prevent the movement of persons from one part of a roof to another part;
 - (b) be painted on any fence or boundary wall , except in an industrial area;
 - (c) on a premises, be higher than 8,5 m if freestanding unless specifically approved by the Municipality in accordance with the relevant Town planning Scheme as amended from time to time;
 - (d) within a road reserve, be higher than 8,5 m unless an application for the relaxation of the height of the structure is submitted for approval and approved in terms of this policy;
 - (e) encroach on the building restriction area unless a relaxation has been obtained in terms of the relevant Town planning Scheme as amended from time to time;
 - (f) cover or impede access to any maintenance or inspection points on street lamp poles or other municipally maintained equipment;
 - (g) be constructed or erected in such a way that a street tree or similar planting must be removed, relocated or pruned to accommodate the sign.

8. GLASS

- (1) All glass used in a sign, other than glass tubing used in a neon and similar sign, must be safety glass at least six millimetres thick.
- (2) Glass panels used in a sign must not exceed 0,9 m² in area, each panel being securely fixed in the body of the sign, structure or device independently of all other panels.

9. ELECTRICAL

Every illuminated sign and every sign in which electricity is used, must:

- (1) have power cables and conduits containing electrical conductors positioned and fixed in such a manner that they are not unsightly;
- (2) be designed in such a manner that the sign is not a fire risk;
- (3) be provided with an external switch in an accessible position and at a height of at least three metres from the ground by means of which the electricity supply to the sign may be switched off;

(4) be wired and constructed in accordance with and subject to the provisions of all applicable laws and regulations.

10. MAINTENANCE

(1) A sign must:

(a) be located at a height that discourages vandalism;

(b) be serviced on a regular basis;

(c) be maintained in good repair and in a safe and clear condition.

(2) The area immediately surrounding the sign must be maintained in a neat and tidy condition.

(3) The owner of any sign shall be responsible for the maintenance in a safe, tidy and proper condition of the sign and the surrounding area.

11. ILLUMINATION AND ELECTRONIC SIGNS

(1) Illumination is permitted on a sign only if it does not lead to unsafe driving conditions, or does not have a detrimental effect on the surrounding area and where it is not specifically prohibited.

(2) The luminance level on any sign where illumination is permitted, and where the applicable speed limit on the road is higher than 60 km per hour, shall not exceed the following:

Illuminated area Maximum luminance

Less than 0,5 m ²	-	1 000 candela per m ²
0,5 to 2,0 m ²	-	800 candela per m ²
2,0 to 10 m ²	-	600 candela per m ²
10 or more m ² in visual zones	-	350 candela per m ²
10 or more m ² in other areas	-	400 candela per m ²

(3) A variable or animated message shall not exceed the following frame update limits:

Speed limit 60 km per hour or less Full video and frames that change continuously
Speed limit more than 60 km per hour, one single complete frame that changes every 30 seconds as a minimum

(4) An electronic sign shall not obstruct the view of a driver or pedestrian or be in the direct line of sight of a traffic light.

(5) An electronic sign shall not have subliminal flashes.

(6) Light not intended for illumination shall only be utilised if it is allowed for in the environmental plans of the Municipality.

(7) All signs that could interfere with radio or television reception must be equipped with suppressors that eliminate all forms of interference, and electrical wiring must be in accordance with the provisions of the Municipality's Electrical Bylaws/Policies if any and any other legislation applicable to electric signs and the approval of the Public Works' Electricity Department.

12. HIGH IMPACT SIGNS

(1) The spacing of all high impact signs shall be as follows; unless specifically stated otherwise:
On a road where a speed limit of more than 80 km/hour has been imposed at least 250 metres apart on a road where a speed limit of more than 60 and up to 80 km/hour has been imposed at

least 200 metres apart on a road where a speed limit of 60 km/hour or less has been imposed at least 120 metres apart.

(2) High impact signs may not be permitted within 100m radius from the centre of an existing intersection of arterial roads, and may not be permitted within 50m radius from the centre of an existing intersection of an arterial road and any lower order road, or between two lower order roads. In the case where traffic lanes merge or diverge, the Municipality may increase the distance requirements from an intersection.

(3) Applications for the erection of high impact signs shall be accompanied by an Advertising Sign Scoping Report.

SECTION C: GENERAL PROVISIONS

13. TRANSITIONAL PROVISIONS

(1) Any sign which was erected or displayed on the date of commencement of this policy but which is prohibited by this policy must be removed within (90) days of such date of commencement. All approved signs already in existence where proof of approval can be furnished, on the publication of this policy shall within a period of one (1) year after such promulgation, be removed or corrected to comply with the said policy.

(2) The owner of the signs erected or displayed on the date of commencement of this policy but which in terms of this policy may not be so erected or displayed without the approval of the Municipality and/or another authority, must apply for such approval within ninety (90) days of the date of commencement.

(3) If approval for a sign has been refused, the sign must be removed by the owner within (30) days of receipt of notification of such refusal. Where such a notification has been sent by registered mail, the owner will be deemed to have received it eight days after being posted.

(4) The Manager Town Planning may, in his sole discretion, after the expiry of an agreement signed prior to the commencement of this policy, decide whether such agreement may be renewed and determine the period of such renewal.

(5) Any complaints from the public (excluding the applicant who are entitled to the appeal procedure in section above) regarding this policy may be directed to the Council at P.O. Box 551, Bethlehem, 9700 and the council shall furnish a reply in writing to the complainant.

14. SIGNS NOT DESCRIBED IN THIS POLICY

The Municipality may approve an application to erect a sign that is not referred to in this policy after having considered the application in terms of the Outdoor Advertising Policy that the Municipality determines from time to time.

15. CONTRADICTIONS

Where any contradiction, ambiguity or vagueness in the policy may occur, the interpretation of the Manager Town Planning is final and binding.

16. SIGNS FOR NATIONAL, PROVINCIAL, MUNICIPAL AND SIMILAR CAMPAIGNS

In the case of campaigns for parliamentary, provincial or municipal elections (including by-elections) and referenda, as well as campaigns by state and parastatal institutions to promote democracy, good governance and/or similar principles, or promotion of any National, Provincial or Municipal Imbizo or similar event, the written consent of the Manager Town Planning, in consultation with the Municipal Manager, must first be obtained.

17. OFFENCES AND PENALTIES

(1) Any person who:

- (a) contravenes or fails to comply with any provision of this policy;
- (b) contravenes or fails to comply with any requirement set out in a notice issued and served on him/her in terms of this policy;
- (c) contravenes or fails to comply with any condition imposed in terms of this policy;
- (d) knowingly makes a false statement in respect of any application in terms of this policy; shall be liable for the cost of removal and a penalty fee may be imposed and/or legal steps be instituted against the offender.

(2) Any sign which is erected, distributed or displayed on Municipal property without the permission of the Municipality or in contravention of this policy may without notice be removed and destroyed by the Municipality, at the cost of the responsible person who displayed or caused or allowed the sign to be displayed, distributed or erected.

18. SIGNS ACROSS PREMISES BOUNDARIES

The Municipality may, in its sole discretion, at any time direct the owner of a sign that wholly or partially projects over or encroaches on any boundary of a premises, or the owner of the building to which such sign is attached, to remove part of or the whole portion that is projecting over or encroaching on the premises boundary, within 14 days of the date of notification, irrespective of whether the Municipality has approved the sign. Failure to comply with the notice shall constitute an offence.

19. ACCESS TO PREMISES

An authorized agent or employee of the Municipality acting in the course of and within the scope of his/her duties has the right to enter into and upon any premises at any reasonable time to inspect a sign and to request that approval for the sign be furnished by the owner of the sign within 10 working days of such inspection.

20. REMOVAL OR CONFISCATION OF SIGNS

(1) If any sign is so erected, distributed or displayed that, in the opinion of the Municipality, it is detrimental to the environment or to the amenity of the neighbourhood, or is otherwise in contravention of this policy, the Municipality or its authorised agent may remove the sign if erected, distributed or displayed on Municipal property, or may serve a notice on the responsible person to remove such sign or carry out such alteration thereto or do such other work as may be specified in such notice within a time specified in the notice.

- (2) The Municipality shall, in removing a sign contemplated in subsection (1) above, not be required to compensate any person in any way for loss or damage resulting from its removal.
- (3) If a sign constitutes a danger in any manner or is obscene, in the opinion of the Municipality, the Municipality itself may, without serving any notice, carry out the removal of such sign.
- (4) Any costs incurred by the Municipality in removing, storing, or undertaking alterations to a sign, shall be recovered from the responsible person.
- (5) The responsible person may apply in writing to the Municipality within 7 working days of the date of the removal/ confiscation of the sign, to have the sign returned and if the application is approved, such person must pay the total cost incurred by the Municipality as well as any penalty/poundage fee which may have been imposed.
- (6) Should the responsible person omit to collect the sign within 30 working days of the approval referred to in (5) above, the sign may be destroyed or disposed of by the Municipality in terms of the Criminal Procedure Act as amended from time to time.
- (7) The Municipality is not liable for damages of whatever nature arising from the confiscation, removal or disposal of the sign.

21. SERVING OF NOTICES

Any notice or other document required to be served on any responsible person by this policy, shall be deemed to have been properly served if served personally on him or her or on any member of his/her household apparently over the age of sixteen years or at his/her place of residence or on any person employed by him/her at his/her place of business, or is sent by registered post to such persons' residential or business address appearing in the records of the Municipality or, if such person is a company, if served on an officer of that company at its registered office or sent by registered mail to such office.

22. RESPONSIBLE PERSONS

- (1) For the purpose of Section 17, 20 and 21, the responsible person shall be deemed to be:
 - (a) the person who either displayed, erected and/or distributed such a sign, or caused or allowed it to be displayed, erected and/or distributed;
 - (b) the registered owner of any premises on which any sign was displayed, erected and/or distributed;
 - (c) any person who was either alone or jointly with any other person, responsible for organising, or was in control of, any meeting, function or event to which a sign relates;
 - (d) any person or group of persons whose name(s) appears on the sign; unless the contrary is proved.

23. APPEAL PROCEDURE

(1) Any person aggrieved by a decision of the Municipality to either refuse or approve an application that has been submitted to the Municipality for approval in terms of this policy, may appeal against such decision of the Municipality by following the procedure set out hereunder, namely:

- (a) The appellant must give written notice of the appeal and reasons for such appeal, to the Municipal Manager within 21 days of the date of notification of the decision of the Municipality;

- (b) The Municipal Manager must promptly submit the appeal to the appropriate appeal authority as prescribed by Section 62(4) of the Local Government: Municipal Systems Act, Act 32 of 2000, as amended;
- (c) The appeal authority must commence with an appeal within 6 (six) weeks of receipt of the written notice in (a) above and decide the appeal within a reasonable period;
- (d) The Municipal Manager or his duly authorized representative must inform the appellant in writing of the decision of the appeal authority within a reasonable period.

SECTION D: TYPES OF SIGNS AND REGULATION OF THEIR ERECTION OR DISPLAY

SIGN TYPES AND CONTROL MEASURES

SECTION E: PUBLIC TENDERS

68. PUBLIC TENDERS

Council may invite and adjudicate on tenders for each standard advertising type aiming to provide non locality-bound advertising space for private sector services, products or any other message on Municipal land in accordance with the Supply Chain Management Policy. Dihlabeng Local Municipality also reserves a right not to outsource the erection and/or management of outdoor advertising signs function to any individual or service provider.

1. Street furniture: (lamppost, waste bins)

A tender may be awarded to more than one successful tenderer, according to towns or any other criteria that Council may deem necessary.

2. The successful tenderer will:

2.1 Be responsible for the erection of advertising signs in terms of the conditions and stipulations of the policy on Outdoor Advertising control and his/her contract with the Council;

2.2 Maintain advertising signs in accordance with the maintenance clauses as set out in the policy on Outdoor Advertising control and any other additional conditions stipulated in the contract with Council;

2.3 Be responsible for the removal of any sign of the same class for which that particular contract

has been awarded, illegally erected on Council-owned land; and

2.4 Be considered in breach of contract should s/he not comply with any of the above. Council shall serve final notice on the contractor to rectify compliance with the said contract conditions.

2.5 Should the said contractor not comply with the above within two (2) months after final notice have been served, Dihlabeng Local Municipality will have the right to relieve him/her of his/her contract after which the said contractor will have no rights to the advertising signs already erected. Council will then readvertise the relevant contract for public competition in terms of Dihlabeng Local Municipality's tender procedures.

2.6 One part to look at will be the fee structure of the tenderer whether is it accommodative of small businesses that cannot afford the exorbitant fees charged by the service provider.

3. Billboards:

Permission and approval for the erection and installation of billboards of all classes will be done on an ad hoc basis and no exclusive rights will be given to any one company to erect billboards in a specific town.
